UO Residence Hall Move-In
All Day
Most of the 4,000 residence hall students move in. Check-in times are staggered between 9:00 a.m. and 5:00 p.m. to spread the crowds and traffic evenly throughout the day. To help ease congestion on Franklin Boulevard and Agate Street, students and families are directed to take specific routes depending on their residence hall location. The following streets may experience high levels of traffic: Hilyard, Franklin, Agate, East 15th, Villard, and Patterson.

After students check in to their residence halls, families will be asked to move to designated lots. Parking is not provided on campus. In addition, faculty and staff are encouraged to take alternate transportation.
