UO COMMUNITY CONNECTION

NOVEMBER - DECEMBER 2024

NEXT GENERATION HOUSING

Over the next 20 years, the University of Oregon is planning more high-quality, learning-centered residential communities on campus that are compatible with surrounding neighborhoods, provide a gentle transition between higher and lower intensity uses, and serve our growing student community.

To plan a variety of housing types that meet the needs of first-year students, undergraduates, graduates, and families, the UO is studying the future of student housing on campus. The outcome of this work will include a long-term plan for long-term housing and infrastructure and an update to the 2003 East Campus Plan.

For information on plans and opportunities for input, visit gcr.uoregon.edu/next-generation-housing

CONSTRUCTION CORNER

Riverfront Parkway and Millrace Drive *Knight Campus Building 2*

Build façade and roofing system installations are underway and interior wall framing and building system installations are underway on all levels. Riverfront Parkway remains open in all directions with occasional construction traffic. Completion is on schedule for Winter 2026.

Moss St. and 17th Ave Kalapuya-Illihi *Residence Hall*

Interior repairs to walls continue. Completion is on schedule for Fall 2025. One back in use by students, Hamilton Complex will be decommissioned.

W. 11th near Franklin Blvd *Villard and University Halls “Heritage” Renovation Project*

The UO’s two oldest buildings are undergoing complete interior renovations and exterior restorations. Seismic upgrades are nearly complete, windows are off site to be refurbished, and roofing of University Hall is currently underway. Fencing on perimeter of site blocks some interior sidewalks; temporary detour walkways are in place. Completion is scheduled for Fall 2025.
