

# THE DIFFERENCE DUCKS MAKE IN CONGRESSIONAL DISTRICT 1 | 2023

### BY THE NUMBERS

DISTRICT 1	UO
<b>2,091</b> CURRENT STUDENTS	<b>23,200</b> CURRENT STUDENTS
<b>436</b> DEGREES AWARDED	<b>NEARLY 5,300</b> DEGREES AWARDED

### CREATING OREGON'S WORKFORCE

DISTRICT 1	STATEWIDE
<b>19,052</b> ALUMNI	<b>120,927</b> ALUMNI LIVING IN OREGON
<b>\$2.6B</b> ECONOMIC FOOTPRINT	<b>29</b> SPINOUT COMPANIES

82% of recent graduates are working, attending school, or performing some type of intensive service (e.g., Peace Corps). Among UO's top 10 peer institutions, only two report a higher percentage of recent graduates

### MAKING COLLEGE AFFORDABLE

DISTRICT 1	STATEWIDE
<b>419</b> PELL GRANT RECIPIENTS	<b>3,346</b> PELL GRANT RECIPIENTS
<b>316</b> PATHWAY OREGON* STUDENTS	<b>2,082</b> PATHWAY OREGON* STUDENTS
<b>376</b> OREGON OPPORTUNITY GRANT AWARDS**	<b>3,030</b> OREGON OPPORTUNITY GRANT AWARDS**
<b>1,528</b> FINANCIAL AID AWARDS	<b>8,601</b> FINANCIAL AID AWARDS
<b>DISTRICT 1</b>	<b>\$120M</b> IN TOTAL AID

To learn more about the UO's impact, contact us at [gcr@uoregon.edu](mailto:gcr@uoregon.edu) or visit [gcr.uoregon.edu/oregon-](http://gcr.uoregon.edu/oregon-)

\* UO's program that ensures academically-qualified Pell Grant-eligible Oregonians will have their tuition and fees paid through a combination of federal, state and university funds.

\*\* The Oregon Opportunity Grant (OOG) is Oregon's largest state-funded, need-based grant program for college students.

The UO is an equal-opportunity, affirmative-action institution committed to cultural diversity and compliance with the Americans with Disabilities Act. This publication will be made available in accessible formats upon request.

In 2021–22 unmet financial aid need for all UO resident students was \$62.9 million

# Examples of Impact | CD 1

## Serving a Diverse Student Community

In spring 2022, the University of Oregon qualified for an “**emerging Hispanic Serving Institution**” federal designation. The status is given to institutions with at least 15 percent Hispanic enrollment by the US Department of Education. The status allows an institution to become eligible for various forms of federal support to assist the UO in attaining full status.

Every year the **Knight Campus Graduate Internship Program** enrolls 80-100 students pursuing master’s degrees in focus areas of semiconductors, optics, polymers, sensors and genomics. Students are placed in paid internships at companies in Oregon and beyond. 90% of internship graduates are employed within their field in three months, and companies benefit from skilled scientists with real-world experience.

## Meeting Industry Workforce Needs

### Internship partners in the 1st CD include:

KLA Tencor	OHSU
Oregon Physics	Intel
Qorvo	MKS Instruments
Schrodinger	Nanometrics
Providence Health & Services	Nike
	Thermo Fisher Scientific

## Helping Oregon's K-12 Students Meet their Potential

**UO College of Education** research models, methods, curriculum, and assessment tools **reach 97% of children in Oregon**, including innovations that help students develop math and reading fluency to supporting their emotional and behavioral health. For example, in 21-22, **13 school districts in CD 1** implemented evidence-based interventions, created by UO faculty with the Center on Positive Behavioral Interventions & Supports (PBIS), that help students develop social-emotional-behavioral competencies and prevent unwanted behaviors.

The UO ranks third among all universities in the nation for the number grants and contracts received from the Institute of Education Sciences.

## Promoting Resiliency Through Multi-Hazard Early Warning

The Oregon Hazards Lab, in collaboration the U.S. Geological Survey, three other west coast universities, and other public and private partners, operates **ShakeAlert**, an onshore earthquake early warning system that provides seconds to minutes of warning of impending ground shaking. The warning from hundreds of sensors placed throughout Oregon, including **34 sensors in CD 1**, allow individuals a to carry out pre-determined action for safety, and, through automation, industry, utilities and transportation sectors are able to power down or protect critical operations.
