CONSTRUCTION CORNER

Projects to have on your radar

East 15th and Agate

Phase 2 of the Hamilton Walton Residence Hall Transformation

Of note: During winter break, the crews will be starting earlier than usual, approximately 7:30 a.m. On Building C, the siding and storefront should be complete by the end of the month, after which most of the interior work won't be visible. Building B has temporary framing on the ground floor to allow building dry in, though exterior weather barrier on upper floors is almost complete.

Riverfront Parkway and Millrace Drive

Knight Campus Building 2 project
Building 2 of the Phil and Penny Knight Campus for Accelerating Scientific Impact kicks off Monday, December 12. The project includes a four-story research building, as well as a skybridge connection to Building 1. Closures will include a portion of the Millrace Path between Gallery Way and Riverfront Parkway, and there will be revised traffic patterns to Riverfront Parkway. The project is scheduled for completion in August 2025. Project info: map.uoregon.edu/construction-impacts
