

STUDENT AID 2016

FAST FACTS FOR POLICY MAKERS

1859

The Oregon Admissions Act gives Oregon statehood.

1876

University of Oregon opens

1944

GI Bill expands access to higher education.

1965

Higher Education Act establishes most student aid programs.

1993

The UO is among the first federal direct lending institutions.

2008

The UO establishes PathwayOregon.

TODAY

The UO partners with the federal government to make college affordable.

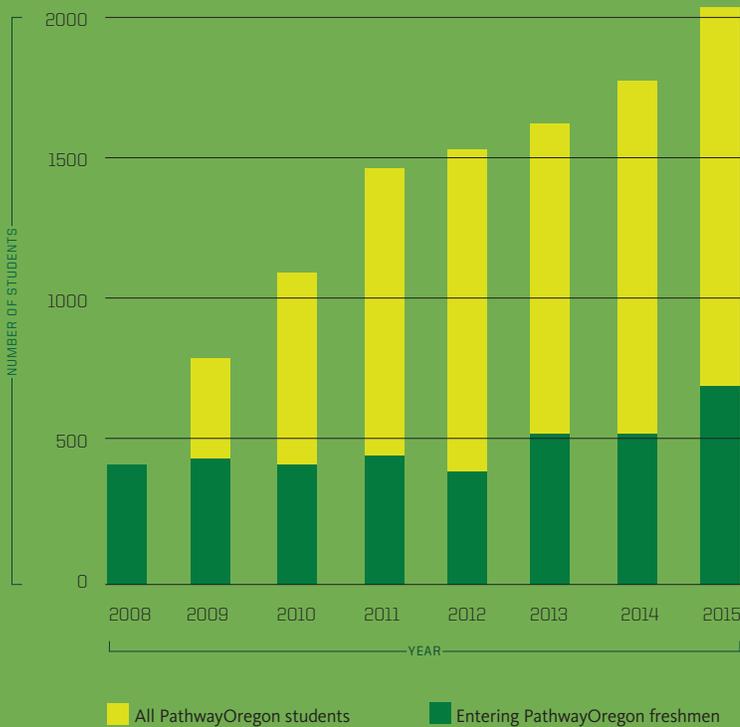

PathwayOregon provides free tuition to Oregonians who meet academic and family income qualifications. It ensures that academically qualified Pell-eligible Oregonians will have their University of Oregon tuition and fees paid with a combination of federal, state, and university funds. It combines this aid with advising and support services to help these students succeed.

Notes: Student residency and level are based on first enrollment of academic year. Students may transition in residency and/or level, which may result in reporting anomalies, e.g., a graduate student receiving funding that is specific to undergraduate students, or a nonresident student receiving funding that is specific to Oregon residents.

Detailed distribution data does not sum to total 'Met Need' because these amounts have been capped so that paid aid does not exceed need for an individual student.

\$265.9 MILLION

The amount students would have access to if aid were more fully funded

Student residency and level are based on first enrollment of academic year. Figures are only for students who originally started at the UO as first-time students, not the entire graduating cohort. Detailed distribution data does not sum to total 'Met Need' because these amounts have been capped so that paid aid does not exceed need for an individual student.
