UO GOOD NEIGHBOR PROGRAM

The University of Oregon strives to be a good neighbor. If you would like our help addressing a specific UO-related issue in your neighborhood, please email goodneighbor@uoregon.edu.

If you experience a loud party or other activity in a near campus neighborhood at which you expect UO students are involved and illegal activities are occurring, please call the **Eugene Police Department (EPD) non-emergency number (541-682-5111)** to report the illegal behavior. Even if EPD does not have time to respond, this documents the incident and our office receives basic details, including time of call, whether EPD responded, and if so, what actions were taken. In certain situations EPD refers the call to the UO Police Department for response, even regarding off campus illegal behaviors in near campus neighborhoods.

Provide details of the incident, including location, time, explanation of illegal behaviors an impact to the UO using the goodneighbor@uoregon.edu email. This email goes directly to staff with UO Community Relations, the UO Police Department, and the Office of the Dean of Students.

Unstoppable: 150 Years of the University of Oregon

Now through March 29
Oregon Historical Society, 1200 SW Park Ave., Portland, 97205

If you happen to be in Portland in the next few months, check out the Oregon Historical Society exhibit celebrating UO's sesquicentennial anniversary.

From 1876 to 2026, the University of Oregon has built a legacy of creativity, innovation, and connectivity. In October of 1876, Oregonians opened a university in Eugene. The singular building, funded through the generosity of the citizens of Eugene, was only partially completed. Lane County was home to less than 10,000 people. Still, the University of Oregon thrived. It reshaped the landscape of education.

This exhibition is a celebration of the past and a blueprint for the future. Visitors can explore interactives related to wildfire prevention, important inventions, and the dynamic culture of UO as well as learn more about collaboration and scientific study over fifteen decades.

CONSTRUCTION CORNER

UO Next Generation Housing Phase I Residence Hall: Maple Hall

Construction of Maple Hall will be completed summer 2027. It is located south of 17th Avenue between Columbia and Moss streets.

The tower crane was removed in late October and removal of the crane's concrete foundation continues through November 4, which could produce more noise than normal construction activities. The building has been constructed to full height and interior and exterior construction continues.

Fall/winter operation schedule for most noisy activities is Monday–Friday, 9:00 a.m.–6:30 p.m. Construction activities taking place outside these hours will be announced as often as possible at gcr.uoregon.edu/next-generation-housing.

If you have questions about construction of the residence hall and are a near-campus neighbor, please contact Karen Hyatt, Director of Community Relations, at khyatt@uoregon.edu. If you rent from University Housing, please contact Bryson Beck at brysonb@uoregon.edu.

For all construction projects on the UO Eugene campus with impacts, go to map.uoregon.edu/construction-impacts.
